TROUBADOUR THEATRES LTD

MERIDIAN WATER STUDIOS KITCHEN PORTER

JOB DESCRIPTION

We're seeking calm, creative and inspired kitchen porters to join London's newest Film Studio. You must have great taste, and be passionate about creating great food and delivering exciting dishes for the film & tv community.

ABOUT US

Troubadour Theatres is a young and vibrant theatre company who have recently built a number of spectacular temporary venues in London, and have now created the newest state of the art Film Studio in North London.

We are renowned for our innovative approach to the theatre and film experience, and this ethos will be evident in our new cafe and catering operations at Meridian Film Studios.

The Studio Five Kitchen will be the central hub for the studios, serving excellent freshly cooked meals throughout the day.

ABOUT YOU

You will need to be able to deal with the high speed and hard work of a busy kitchen environment. Ideally you will have kitchen porter experience, but the right attitude and good organisation is the main requirement. Above all – you will have a great attitude: you will want to perform all of your duties to the best of your ability.

The right candidate will progress quickly with us. We truly value effective kitchen porters.

We're offering...

- Competitive Salary
- Full Training and Development
